

# Berkeley Garden Committee Meeting Minutes

Sunday February 26, 2017

Attendees: Katherine, Richard P., Elizabeth, Mike, Bertine, Stephen

Item	Brief Recap	Action	Follow Up	Due
<b>New members</b>	We welcomed Michael Hoffman and Elizabeth Mele to the group. They moved into the 35th Street building a few months ago	Elizabeth and Mike will be glad to help out on work days when possible. They are not asking for a plot at this time.		
<b>Garden Tour</b>	The self guided annual Jackson Heights Garden Tour will take place on Saturday June 10 and we will participate again	Miyako will make a flyer/handout. We will submit pictures and text to her	To discuss further in the next couple of meetings	
<b>The Ramp</b>	The ramp, according to Bertine and Anne, is to be repaired in April. Bids are being taken now and the work should be finished in time for the Garden Tour	Looking forward to easy access to the seed room again!!!!		
<b>Decorative Items</b>	"Greek like" stone decorations from the old Jackson Heights Bus Terminal are being given away. They are stored at Donnolly Gardens and will be disposed of on March 11. We looked at pictures of the items.	After some discussion, the group decided against adopting anything for our garden. The objects are heavy and don't seem to fit our ambience		
<b>Grass seeding</b>	We will be calling a work day - probably in April - to do more seeding.	Katherine has ordered more seed	Set a work day at the next meeting	
<b>Path for the South Garden</b>	Continued discussion about feasibility and aesthetics of a path across the much tropped upon South lawn	Stephen sent out links to sites about path possibilities	continue discussion and come to a conclusion	
<b>Water source for the seed room</b>	Katherine asked Milton to look into the possibility of a convenient water source for the seed room - especially during the winter when we have so many plants in the room.  Elizabeth, Mike and Bertine were given a tour of the seed room after the meeting	Milton explored and said there is no good way to install a faucet in that area Looks like a green house now. Lovely!	Milton has left a 4 gal. jug of water for our use in the room	

**Next Meeting: Sunday March 26, 4 pm**
