

Berkeley Garden Committee Meeting Minutes

Sunday 12/1/19

Attendees: Katherine, Kayhan, Miyako

Item	Brief Recap	Action	Follow Up	Due
Updates	<p>Pruning - the contract for a pruning by Urban Arborists has been approved, signed and sent in.</p> <p>The walkway renovation - The current contractor has not responded to calls.</p>	<p>Urban Arborists will contact us in January to set a date for pruning.</p> <p>Eric and/or Anne will let us know more when they have decided what the next steps are.</p>		
Date to reconvene meetings	<p>It was decided that we will suspend meetings until March.</p>	<p>Katherine picked 3/8/2020 as the next meeting date.</p>		
Miscellany	<p>Kayhan is offering the pink rose bush in her plot to anyone who wants it.</p> <p>Leaves- Our kind volunteer Ana Fuchs raked more piles of leaves. However because of stones which catch the mower blades, maintenance has not been able to mow them.</p>	<p>Contact Kayhan, if you are interested, to work out details.</p> <p>Katherine has begun to rake the smaller leaves over bare patches. After larger leaves are drier, Miyako has suggested "stomping" them to make them smaller before raking them over dirt patches.</p>	<p>If anyone would like to stomp leaves as you go through the garden, and or rake to cover dirt spots, please do so.</p>	

Next Meeting: Sunday, March 8, 2020
